From the Desk of Joy Harter

Dear Bell Trace Residents and Families,

It's that ever so special time of year again...*Just hear those sleigh bells jingling, ring-ting tingling too...* when the holidays surround us with ample occasion for merriment and warm, cherished moments shared with family and friends. I always find myself grateful for the abundance of caring hearts that find their place here at

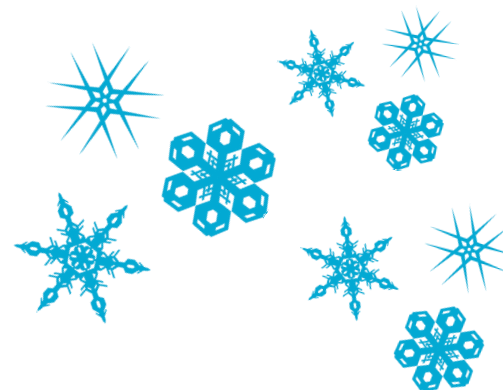

Bell Trace, whether that be in the wonderful people who call Bell Trace their home, or in the compassionate employees who take great pleasure in "taking care of people with their hearts." What a wonderful Bell Trace family we have, and for this I am ever thankful.

Speaking of the festivity of the season, you won't want to miss this year's **Resident Holiday Dinner Party on Wednesday, December 16, from 4:30—6:00 p.m. in the Commons.** This year we will again be entertained by the delightful holiday rhythms of Janiece Jaffe and Curtis Jackson. A delicious dinner will be served to you by the Bell Trace wait staff and then of course you won't want to miss the annual performance of the Bell Trace Bell Tones! If you are new to Bell Trace and haven't yet seen the Bell Tones perform the 12 Days of Christmas, you are in for quite a holiday treat!

Also keep your eye on the monthly calendar (as well as the daily and weekly postings) for our Holiday Theme Days and other musical and holiday festivities throughout the month. There will be no shortage of cheerful holiday occurrences and events in the month of December!

I wish you all a very Merry Christmas, Happy Hanukkah, and may the spirit of the season fill your hearts with love and peace in the coming year.

Best Wishes,

Medical Transportation

Bell Trace offers transportation on Tuesdays and Thursdays for medical appointments that are scheduled between 8:00 a.m. and 3:00 p.m. Please sign up at the Front Desk for transportation at least 24 hours before your appointment. Transportation reservations made with less than 24-hour notice are not guaranteed.

If you use a wheelchair transportation system we can assist you in scheduling your transportation if needed. Bell Trace will cover the cost for those trips as long as they are on a Tuesday or Thursday. If you have medical transportation needs on other days, please contact Leisa McClure at extension 208.

Transportation Notes

Bell Trace will make every effort to get you to your destination; however, winter is upon us, and the weather is unpredictable. If the road conditions are deemed unsafe, transportation to events will be canceled to ensure everyone's safety. This will be done on a case-by-case basis and either Melissa or the scheduled bus driver will notify you.

We also understand that getting to your scheduled medical appointments are important. Resident safety is our first priority; therefore, our driver will determine if the road conditions are safe enough to transport you.

If the Monroe County Community Schools are closed, the 10:00 a.m. shopping on Mondays and the Wednesday lunch excursions will be canceled. Since the Wednesday shopping is at 2:00 p.m., we will assess the road conditions to determine whether it is safe to go or not. When shopping, please remember that space is limited on the bus and in order to accommodate everyone, we request that purchases are limited to only what you can carry onto the bus and place either on your lap or on the floor in front of your seat.

Transportation Notes continued

If you use a walker, please remove all unnecessary items from it so that it can easily be folded up and secured on the bus or the van.

Please also remember that if the lights on the bus are flashing or the wheelchair lift is down, passengers are loading or unloading. In order to keep everyone safe, cars should not attempt to go around the bus or pull up next to the bus. Please remind your friends and family who may visit.

Public Wi-Fi Now Available

On November 20, Public Wi-Fi service was turned on in the Bell Trace Apartment building. This means that public Wi-Fi is now available throughout the entire building. This project has been in the works since October 1, and as of November 20, public wireless access was made available to Bell Trace apartment residents, their families, and our guests.

In order to access the “Bell Trace Public” Wi-Fi when in the building, simply go to “settings” on your phone or device and click on ‘Bell Trace Public’ when it appears as an option. You will then be prompted to enter an e-mail address which you may do, or you may also simply enter 'resident@belltrace.com'. It is not required that you enter a valid e-mail address when asked to do so. Then you will be prompted to “agree” to the service and you will then be connected to Wi-Fi. In order to stay connected to the Bell Trace Public Wi-Fi, you will need to re-enter your e-mail address or name every two weeks in order to stay authenticated.

If you are an apartment resident who is currently paying for your own wireless service through Comcast or another provider, and you would like to convert to using the Bell Trace Public Wi-fi which is available at no charge, please contact Joy Harter so that the CarDon IT department can assist you with converting to our public Wi-Fi.

WI-FI SUPPORT DAY IS FRIDAY, DECEMBER 4

CarDon Technology (IT) staff will be in our building to assist residents with converting to our Public Wi-Fi.

If you currently pay for Wi-Fi Service and want to convert to our Public Wi-Fi, please contact Joy so that she can arrange for a CarDon Technical person to visit with you on Friday, December 4 in the afternoon. Please contact Joy with any questions.
